

**DEPARTMENT
POLICY****MA Only**

This is a MAGI-related MA category.

LIF eligibility under the ACA will be a MAGI-related eligibility subgroup. Eligibility for LIF will be derived after a successful MAGI-related eligibility determination for either Parent/Caretaker Relative or Children Under 19.

Adults with a dependent child and income under 54% of the Federal Poverty Level will be considered LIF eligible.

Children with Income under 54% of the Federal Poverty will be considered LIF eligible.

LIF LEGAL BASE

Social Security Act, Sections 1902(a) (63), 1931

The Patient Protection and Affordable Care Act (Publication L. 111-148) and the Health Care and Education Reconciliation Act (Publication L. 111-152).

**JOINT POLICY
DEVELOPMENT**

Medicaid, Adult Medical Program (AMP), Transitional Medical Assistance (TMA), and Maternity Outpatient Medical Services (MOMS) policy has been developed jointly by the Department of Community Health (DCH) and the Department of Human Services (DHS).
